GP Aug 21st to 27th 2026

Respected Parent, Greetings from Saveetha School of Engineering, SIMATS.

M.Karthikeyan has completed **22** courses so far. He registered four courses in this Semester. he is regularly attending the courses. Renault Global Business Services (GBS) has offered a six-month internship opportunity in the R&D division for our students. The students selected by Delphi-TVS Technologies have joined the organization. The Kobelco online assessment is scheduled for Tuesday, 1 September 2026, for your kind information. His overall attendance percentage is 86%. International internship programs have been arranged in Thailand, Malaysia, and European Union countries. These opportunities will provide valuable global exposure and enhance the students' career prospects. **His overall CGPA is 8.0. he is interested in Cadence Tools for VLSI Design IC design and verification.** He is interested in Cricket and Kabbadi. He has completed two online courses so far. SIMATS is arranging student Exchange Program <https://forms.gle/2RHZHhXmpFSU6yDS> from first year through final year, including both undergraduate and postgraduate students. Kindly motivate your ward to register. **Kindly encourage him to participate in National and International conferences to gain more technical exposure. For further information and clarification, Please contact the mentor Dr.B.Navin Kumar 8124506406.**

Mentee –Parent Response

SIMATS ENGINEERING

Parent's Response:

Thank you very much for your information.

I am happy to know my son's academic progress

Mentee's Response:

Thank you
